Item 10 (a) – Discussion regarding the commencement of in-person Alameda Conference Mayors' Conference Business meetings

The Alameda County Mayors' Conference members have requested further discussion regarding the resumption of in-person meetings once this type of activity is permissible under state and county mask guidance. The current state and county masking guideline allow for indoor meetings

without masking. However, the state's guidelines indicate "*masks are strongly recommended for all persons, regardless of vaccine status, in indoor public settings and businesses....*"

Based on this guidance, it would be permissible to resume in-person meetings if deemed appropriate. The resumption of meetings could begin within sixty to ninety days of a decision to resume, based on the scheduling needs of the host cities. The city of San Leandro is scheduled to be the next host city. If members approve the resumption of in-person meetings, I will review a schedule and distribute it to all members and interested parties. A copy of the current county guidance is attached to this report.

RECOMMENDATION – Discuss the potential for the resumption of in-person meetings and provide direction.
